RAINFALL
Average for the past 40 years in Upland: 21.89 inches per year.

The Upland News

SEMI-WEEKLY—TUESDAYS AND FRIDAYS

ALTITUDE
In the business district, 1,000 to 1,200 feet. In the residential, 1,000 to 2,400 feet.

VOL. LI. UPLAND, CALIFORNIA, FRIDAY, JANUARY 11, 1946. NO. 73

Ontario, Upland Boards Unite

Both Cities To Be Served by Office Here

In the first move towards the eventual consolidation of the two boards, the Ontario Selective Service Board 148 today moved in with the Upland Board 149 at 265 East Ninth street, in Upland.

Although they will continue to operate as two separate units for the time being eventual grouping together under Edgar C. Pierce, Upland selective service secretary, is assured. J. W. Winton, assistant clerk of the Ontario board, will also be working here.

All the equipment, including desks, chairs and other office furniture, arrived at the Upland office this morning. The Ontario board formerly occupied an office in the Emmons building in Ontario.

This step had been contemplated for some time, for the end of the war brought sharp reductions in the draft quotas and it was felt that both Ontario and Upland inductees could be handled through one office.

Official confirmation of the consolidation is expected very shortly.

Henry Busch Resumes Legal Practice Here

Henry M. Busch, recently discharged from the navy, has resumed his legal practice in the offices formerly occupied by Fred E. Draper and G. T. Redmon at 230 East Ninth street. He served as a lieutenant (j.g.) in the navy.

Prior to entering the service, Mr. Busch maintained offices here as well as being active in civic affairs.

Marriage Licenses

Stephen E. Catte, 24, inspector, Ontario, and Anna L. Beatty, 21, Ontario, electrical assembler.

Edward G. Gibson, 35, Inglewood, pipe fitter, and Robbie F. Carpenter, 38, Los Angeles.

Gerald A. Weber, 24, Escondido, and Noreen A. Ebeling, 18, press operator, Chino.

Sugar Stamp 39 Now Valid

Sugar stamp 39 became good for five pounds of sugar last Wednesday.

OPA warned consumers, however, that they would have to continue to guard the family sugar bowl well during the new year. Only optimistic note sounded in the warning was the statement that supplies may increase slightly by the latter part of 1946.

Right now, reserve stocks are critically low, OPA said.

Legion Discusses Memorial Tonight

All members of the Upland post of the American Legion are invited to attend the meeting of the post's building and ways and means committee at the Legion clubhouse tonight at 7:30.

Floor plans for the new proposed Veteran's memorial will be discussed with the architect and the meeting will be open to all Legionnaires who want to make any further suggestions on what the building should include.

At the last regular meeting of the Legion, several recommendations were made by the members. Included among them was the addition of a stage to the auditorium, a basement in which would be meeting places for the Boy Scouts and bowling alleys.

Warn Dog Owners About Many Thefts

Dog owners of this community and those who have added a dog to their family circle this Christmas are urged to take special precautions to prevent their pets from being stolen, in a communication received from the Gaines Dog Research Center, New York City.

The warning is prompted by a veritable wave of dog thefts which the Center reports is sweeping many sections. Particularly hard-hit appear to be owners of dogs of the sporting breeds, many of whom started to disappear just about the time of the opening of the hunting season.

Shoes, Serviceable Clothing Urgently Needed for Drive

Serviceable clothing, shoes and bedding are the most urgent need of the Victory Clothing collection, Lowell Donnell, chairman of the campaign in Upland, disclosed today.

Some of the things that were asked for last year are not desired now, Mr. Donnell said. Such things as handbags, straw hats, toys, feather beds, pillows, novelties and household furnishings are of no use now.

All the shoes that can be spared are needed by the desperate and unclothed peoples of the world. Mated shoes should be securely tied together in pairs, tucked toe to heel and tied with string. It is not sufficient to tie laces, Mr. Donnel said.

Another item that there is great need for is blackout curtains which can be made into warm clothing for people who are in such desperate want, Mr. Donnell added.

Henry J. Kaiser, national chairman of the Victory Clothing collection, said that more than 90,000,000 Americans have been mobilized in 11,078 cities, towns and villages throughout the nation to help war sufferers overseas.

In what he called "one of the most far-flung operations ever organized to aid humanity," Chairman Kaiser said that 100,000,000 serviceable, used garments, in addition to shoes and bedding, must be collected.

Donors are asked to include friendly messages with their clothing gifts.

"Words are not enough, but friendly messages, along with clothing gifts, can ease troubled spirits, revive hope and build good will," Mr. Kaiser declared.

There are three clothing depots in Upland. They are located at the fire hall, the J. J. Atwood company and at the postoffice. Clothes may be left in any of the containers there.

BURGLARY

Mrs. Mary Alix reported to police that her house trailer near the Parkside project was burglarized sometime between 5 p. m. Wednesday and 1:30 p. m. Thursday.

Voice of Upland

Do you think the boys overseas are right in demanding that they be sent home immediately?

"I think it's their perogative."—F. H. Rayburn.

"I'm with them."—Ralph Barnes.

"I figure there must be a good reason why they need them. The ones that have the points should come home first."—John Anderson.

"Sure they ought to come home—absolutely. They ought to bring them home and take some new ones over there."—John P. Platt.

"They should, sure."—Frank Svobada.

"I think they ought to be considerate. I'm afraid they're a bit too impatient."—Mrs. John Baumgartner.

"I think they do, the fellows that have been over there two years or more."—Robert Landry.

"They're bringing soldiers home so fast we may not have enough to do the job over there. I really don't know whether they should be sent home or not."—Mrs. P. H. McQuillen.

"Why, yes. Why, wouldn't you be? I would. They ought to send new ones to replace them."—Mrs. George Hermes.

"I just got out myself, but I think they ought to have a little patience."—L. W. Mosebrook.

Low Temperature Likely Tonight; Firing Expected

Thermometers are the center of attention today.

And tonight's lowest mercury reading in this area may result in general orchard heating, although observers are hopefully looking for a change in the weather trend.

Forecast by the U. S. weather bureau at noon today placed the lowest temperature at 23 degrees with a general mercury average at from 25 to 26 degrees. This area, however, usually escapes the coldest nips, according to the records, and such may be the case tonight.

The cold wave may not end with tonight's low temperatures but is likely to continue over the weekend, it was revealed in the forecast received by Harry B. Harlow, manager of the Ontario-Cucamonga Fruit Exchange.

Firing in the Upland district was more or less scattered early this morning. Cucamonga and Alta Loma growers also went to their heaters to protect the ripe navel crop and to protect the lemons and the lemon trees.

Orchard Protection Co., which stores thousands of gallons of heater oil for its members, reported today that all tanks are full and that from the preparedness standpoint growers are ready for the low temperatures.

In the light firing that has already occurred this season, very little oil has been taken from the reserve tanks, growers depending on their own individual supplies and their filled heaters.

Reports vary as to the lowest temperatures this morning but it was agreed the seoson's heaviest firing occurred.

Fine Two for Fish And Game Violation

Two residents of Los Angeles were fined $50 each by Judge Fred H. Jacobs at the Upland Justice court Wednesday afternoon for violation of the California fish and game code.

They were Edward W. Castle, 724 West First street, and Thomas A. Baker, 978 South Kingsley drive, both of Los Angeles.

A suspension of $25 for each violator was ruled by Judge Jacobs, however, providing they were not guilty of any future fish and game violations for the next year.

Judge Jacobs Will Attend Two Meetings

Judge Fred H. Jacobs will leave for San Francisco Monday to attend two conferences.

On Tuesday, January 15, the Upland judge will meet with the executive board of the Justice and Constable Association of California, and on the following day with the Inferior Courts Committee of the State Bar association.

He will be back at his desk in Upland next Thursday.

Youth Center Opening Delayed

The Community Youth center, sponsored jointly by the Upland and Ontario coordinating council, will be formally opened on Saturday, January 26, with a dance at the Women's gymnasium at Chaffey college, instead of today as previously announced.

Woodrow Wallace and Rollin Moser have been appointed to serve as center directors, Mrs. Frank C. Taylor, general chairman, also disclosed in making the announcement of the formal opening.

The new center which will serve youths between the ages of 11 and 21 is located at 316 North Euclid avenue in Ontario. Dues of $3 a year will be charged and may be paid at the rate of 25 cents a month, if so desired. Plans are to have the center operated by the youths themselves with the adults serving in an advisory capacity.

According to a budget presented by Oris F. Heinauer, financial secretary, operation of the center will require a total of $3400 a year, with Ontario paying half of the cost, $1700, Upland, $850, and San Bernardino county, $850.

The Ontario city council has taken under advisement the proposal that the two part-time directors be employed for a total of 40 hours a week at a pay rate of $1 an hour.

Honor Driver

Another young man has been added to The Upland News Traffic Honor Roll.

He is the one who was driving a Chevrolet coupe bearing the license number 8 P 2626 last Tuesday afternoon east on C street.

Police watched him as he gave a good arm signal as he turned north on Second avenue. Then he made a fine boulevard stop at Arrow highway and very carefully turned east on Arrow and continued slowly on his way.

Dr. Park Forum Speaker At Chaffey

Dr. No-Yong Park, Harvard scholar and an authority on Far Eastern affairs, will speak at the Community Forum lecture at the Chaffey civic auditorium Monday night.

His subject will be "Reconstruction and Rehabilitation in the Far East." He is scheduled to start his address promptly at eight o'clock.

A native of Manchuria, Dr. Park attended the University of Peking, the Imperial University of Japan, the University of Paris and Harvard university where he received his master's and doctor's degrees. For a number of years Dr. Park was also on the faculty of the University of Minnesota.

Dr. Park is a prolific writer on Oriental political and economic questions, having written many books on these problems. Some of his better-known books are, "Making a New China," "An Oriental View of American Civilization," and "China's Chance." His "Retreat of the West" is considered his outstanding contribution and treats the causes which lead to the present conflic in Asia.

New Bus Trip Is Announced

New, faster trips to Los Angeles and the addition of one round trip to and from Los Angeles via Foothill boulevard were announced today by the Pacific Electric Railway company.

The new bus schedule cuts approximately 17 minutes from the former running time between San Bernardino and Los Angeles.

The new trip will depart from Los Angeles daily at 9:20 p. m. via Foothill boulevard route, arriving in Upland at 10:40 p. m., and San Bernardino at 11:17 p. m. The return trip will leave San Bernardino at 11:35 p. m. and arrive n Upland at 12:12 a. m. It will then go to Pomona where connection can be made with the Valley boulevard coach for Los Angeles.

The new timetables are now aailable from operators, ticket agents and information bureaus.

Hold Foster Parents Dinner January 17

Reservations for the Foster Parents Institute luncheon to be held at the San Bernardino Valley Junior college on January 17 may be forwarded to the County Welfare office by January 10.

Miss Selmz Zorin, supervisor of child welfare, State Department of Social Welfare, will speak on the contributions of the foster parent to child welfare.

The morning address for the institute, which is being sponsored by the County Council of Social Agencies, will be presented by Mrs. Clara Snyder, supervisor, Adult Homemaking division of the State Department of Education.

Upland Store Hours Are Unchanged

Upland stores will continue to observe their present opening and closing schedule even though stores in adjacent communities are closing at either 5:30 or 6 o'clock every night including Saturday.

Many of the Upland stores remain open until 8:30 p. m., Saturday nights and that policy has not been changed, it was emphasized today. The matter of closing, however, may be considered by the merchants' committee of the Upland chamber of commerce.

TAX BLANKS

For the convenience of Upland residents, income tax blanks are available at the chamber of commerce office. They may be secured at any time between the hours of 9 a. m. and 4 p. m., except Saturday when the office closes at noon.

Two Brothers Killed When Car Overturns

Two brothers, Scott and Herbert Jackson, of Alta Loma, lost their lives late last night when the Ford sedan in which they were riding rolled over as it crossed the railroad tracks between Archibald and Turner avenue, in Cucamonga.

They were killed instantly as they were thrown out of the car. Joe L. Suentez, 18, of Base Line and Cornelian, who was riding with the Jacksons, was pinned under the car but suffered only minor injuries.

According to the California Highway patrol in San Bernardino, Scott, 27, was the driver of the car. They were going east on Eighth street from Archibald when the car went out of control as they were crossing the railroad tracks. It is believed that Scott was driving at a high rate of speed when he approached the tracks.

The car rolled over two and a half times and settled on its top,

(Continued on Page Five)

Chamber Heads Discuss Projects

Variety featured the meeting of the Upland chamber of commerce directors' meeting this morning with the officials discussing a wide range of improvements. The meeting was held in the Engle & Co. Coffee shop with President William Gilliland presiding.

Need for effective Upland identification signs on Foothill boulevard was stressed emphatically, although no definite action was taken.

Further illumination of Euclid avenue trees was seen as a possibility and the committee headed by Ernest H. Gibson, was authorized to closely observe the proposed plan in Ontario, where floodlights will be placed in the pepper trees.

Mr. Gilliland summarized the controversy between the state and the federal government relative to the Prado dam road, which was destroyed during construction of the project. The board authorized Secretary J. Emery Sargent to protest to congressmen the federal government's delay in rebuilding the road.

Need for express delivery service north of Foothill was called to the chamber's attention and Mr. Sargent was asked to contact the firms concerned.

The secretary reported on efforts to get established a bus service on Foothill between Upland and Pasadena. He was asked to continue his efforts.

The question of business hours was referred to the merchants' committee.

Directors present were Mr. Gibson, Owen E. Atwood, E. Birch Harrison, Mrs. E. Tweed Stone, C. Ernest Olson and President Gilliland. Douglas Black, Claremont, was a guest. Mrs. Roilin Moser, assistant secretary, was also present.

Strikes Stymie Navel Markets

"We're all tied up and we don't know what the score is," Harry Harlow, manager of the Ontario-Cucamonga Fruit Exchange, commented today on the future prospects of the navels.

He had reference to the threatened telegraph and telephone strike which has already begun to be felt here. It has been impossible to get in touch with New York, Boston or Pittsburgh, Mr. Harlow said, and if this continues it will be difficult to say just what will happen to the citrus market.

"It's an unstable deal right now because of the uncertainty of the markets due to the communication tie-up," Mr. Harlow said.

"Of course, we've just got started on the new crop and we're not shipping anymore than 30 cars a week right now," he continued, "but if the strike does go through I don't know what to say about the future except that we'll just have to slow down."

Mr. Harlow said that the navels are going to be pretty small this season and as a result the markets for them don't look especially good. And with the pending strikes, it's likely to be a great deal worse.

City Planners Approve Site For Civic Center

World War II Veterans, Legion Steal the Show

The question of World War II veterans and the American Legion stole the show from the proposed civic center for a time last night at the planning commission meeting.

When it was recommended that the civic center might feasibly become a war memorial, it was brought out that the American Legion had already taken steps to build a Veteran's memorial at East Side park, and that such a move would merely be duplication and probably hamper both proposals.

Frank Davis, chairman of the planning commission, questioned the assumption that the Legion would represent the veterans of this war.

"How do you know that the boys coming back from France and Manila will want to follow the Legion?" he asked. "It seems to me that it is rather premature to guess what the returning boys want to do when they come back," he added.

Mayor Eugene G. Nisbet, who was present at the meeting, told the planners that since the Legion was the only service organization in Upland at the time, the city felt that it was proper to encourage their leadership in trying to provide a veteran's building.

"Why so much rush for a war memorial right away?" Mr. Davis said. "It seems like the Legion is trying to get in first so they can recruit some more members."

Otto Christiansen expressed partial agreement with Chairman Davis when he said:

"It seems to me that it's bad taste for them (the Legion) to set up a veteran's memorial.

He then went on to say that at no time in history had one service group been able to absorb members of a later war. And he didn't think that the Legion could do it either.

Mr. Davis quickly agreed with his fellow planner declaring, "I don't think they (Legion) should be allowed to call it a war memorial of Upland."

Mayor Nisbet, in defending the city's action, told the planners that it was essential that the city do something for the veterans now and not two or three years later. He reiterated that since the Legion was willing to take the time and energy to bring about the erection of a building that would be for all veterans the only thing to do would be to support them.

"If the Legion doesn't build something for the veterans now, nothing will probably ever be done for them," the mayor said.

Hospital Aims to Curb Crashes

How to reduce automobile accidents and fatalities in this area will be the subject of the meeting of the San Antonio Community hospital staff Tuesday night.

A conference of the staff members, newspaper representatives, police chiefs, police judges and morticians will be held in the hospital.

"We believe that an interchange of ideas among this group will not only aid in the efficient handling of these cases but it is also our hope that we can arrive at some solution with respect to cutting down their incidence in the west end of our county," Dr. A. A. Aita, hospital administrator, said today.

Dr. Aita pointed out that automobile accidents had soared to such startling figures in Southern California and especially in this area that unified action was necessary to meet the problem.

Construction on Two More Homes Starts

The slow but constant parade of new homes in Upland continued today as construction was started on two more.

J. J. Schwietzer, of 828 East Seventh street, is building a five room home and a garage at 811 East Seventh street. The area of the first floor is expected to run to 1030 feet.

A four-room home at 330 South Second avenue, is being built by W. N. Lewis, of 1078 South Archibald avenue in Cucamonga.

Other building permits issued were:

Carl Mezie, 1402 East Ninth street, for alterations, including covering some walls with plasterboard.

Edward Russell, of Venice, roof repairs for the store building at 110 East Ninth street. The contractor is Roy Johnson Roofing company, of Pomona.

Associated Telephone company, room repairs, Andrew Millard, contractor.

Varied Course Offered At Night School

Although a varied amount of subjects are already being offered at the Chaffey Adult Education Night school at Chaffey, Melvin Shimmin, director, said that others would be offered if there are enough requests for them.

Among the courses offered now are photography, Spanish, typewriting, child psychology, costume design and fashions and many others.

Registration began last Monday.

Vets Memorial Brings Long Discussion

The Upland planning commission last night agreed on a site for a civic center and passed its recommendation on to the city council for consideration and possible approval.

Accepting a plan drawn up by Charles W. Eliot, planning consultant, the planners after a long discussion on what buildings should be included in the center unanimously gave their approval.

MANY BUILDINGS

The proposal calls for the proposed center to extend from the present site of the city hall on North Second avenue to Euclid avenue. It would include a library, fire hall, a youth center, a larger city hall and possibly a veterans' center.

It was the latter suggestion of having a war memorial that touched off the fireworks among the planners last night. The contemplated veterans' memorial sponsored by the American Legion placed into abeyance the possibility of including a memorial in the civic center.

Members differed as to whether the Legion would represent the veterans of World War II or not, and questioned the idea of placing a war memorial under the custodianship of the Legion.

ONLY GROUP

It was brought out that other service organizations would probably be formed and that they also would desire a building of their own.

Mayor Eugene G. Nisbet defended the city's action in granting the Legion property in East Side park for a veteran's memorial because it was going to be a building for all veterans and that the Legion was the only existing veteran's organization at this time, and that something had to be done for veterans now.

BOND ISSUE

The commission seemed to feel, however, that any war memorial should be a part of the civic center and not be placed somewhere else under the custody of the Legion.

It was agreed, however, to go ahead and approve the site for the civic center and to take up what it is to be included in it at a later date. It was suggested that a bond issue could possibly be used to finance the new center.

May Limit Multiple Homes

A recommendation by Charles W. Eliot, planning consultant, that Upland be zoned to become predominately one family dwellings was approved by the planning commission last night.

"It is a question of where to place multiple zones and where to discourage them," Mr. Eliot said.

He went on to tell the planners that the zoning as it stood now was too loose and for all practical purposes provided no restrictions at all.

The agricultural zones also came up for discussion in regards to multiple dwellings. Mr. Eliot said that as things stood now almost anything could be put in an agricultural zone.

"If we know that it is a mistake to allow multiple dwellings west of Euclid and that it's all right to allow them up around the wash, then we got something to work from," Mr. Eliot declared.

The planners agreed that an ordinance restricting multiple dwellings should be drawn up and considered at their next meeting.

More Mail Handled Last Quarter Of 1945 But Less Receipts

Although more mail was handled during the last three months of 1945 at the Upland postoffice, total receipts for that period took a one per cent drop, Roy Ray, assistant postmaster, disclosed today.

Figures for the last quarter of 1945 showed receipts of $16,407.23 as compared to $16,557.07 in 1944.

Christmas mailing last December, however, was far in excess of that in 1944, Mr. Ray said. In 1944 receipts for the month of December were $7,566.07 while last month they were $8,208.51, an increase of nine per cent over the 1944 total.

The amount of mail handled in 1945 as well as total receipts for the entire year showed a substantial rise over the 1944 figure.

During the year just ended postal receipts were $56,129.20 as compared to $52,034.75, an increase of eight per cent.

Cancellations for the same period showed the biggest increase, with 16 per cent more outgoing mail handled from the Upland postoffice than in 1944. Total figures on that were: 401,453 in 1945 compared to 345,307 in 1944.

Plan to Start Parking Group

A proposal that merchants and business property owners form a parking association to provide off-street parking in the city's business section was received favorably by the planning commission last night.

Charles W. Eliot, planning consultant, reviewed for the planners what Pasadena and San Francisco were doing in this respect and said that the organization of business men to provide parking space seemed to be the best answer to future parking problems.

According to the plan under consideration the proposed association would purchase property in the downtown business section for parking lots. A small charge would be made for this parking in order to pay for the purchase price and the cost of upkeep.

It was generally agreed that the city should not undertake to buy parking property but that it was the responsibility of the merchants and the owners of the buildings which the merchants occupied.

The business men were the ones most vitally concerned, Mr. Eliot said.

ON THE INSIDE

The City of Upland is going to start providing temporary homes for returning veterans soon. Complete details on page 8.

Entered as Second Class Mail Matter at Upland, California

And We Are Still in Need Of More Adequate Water Supply—

Just about a year ago there was released a report prepared by the California State Reconstruction and Reemployment commission on the needs of San Bernardino county.

The principal need cited then was a more adequate water supply. The need is greater today than a year ago.

What is said to be the only logical source of additional water is the Colorado river through membership in the Metropolitan Water District.

During 1945 the City of Ontario engaged a noted engneer to survey the water situation. His report offered the same conclusion as the state agency's report.

We believe most people concur in the general conclusions of the state's report:

"There is general agreement among those most closely associated with the problem that this area should take steps immediately to avail itself of the water supply, which by joining the Metropolitan Water district, it could draw from the Colorado river aqueduct, which traverses this area."

While there may not be an immediate urgency in joining the district, acquisition of a permanent water supply is a matter that should not be postponed until it might be too late.

Teachers' Salaries— And Mechanics' Pay—

Whether the Chaffey school board hires teachers or auto mechanics, the pay is about the same.

Every parent will agree, however, that the teacher is far more important to the public and to society as a whole than the most highly skilled auto mechanic. Yet, it is a fact that auto mechanics and teachers were employed by the Chaffey board Tuesday night at almost identical salaries.

The teaching profession will not be very attractive as long as unattractive pay is offered.

"Hello and Smile" week is scheduled for the U. S. C. campus. That's a good idea to adopt in this friendly community.

U. S. Senator Sheridan Downey, potential Democratic candidate for governor, is going to wait until after the special legislative session ends before he announces his political plans. If Governor Warren weakens his politicaal position, then Downey, Earl Lee Kelley, and perhaps one or two other strong contenders will get into the race.

One group that left California during the war isn't returning—at least in the same number. Only 40 per cent of the 90,000 Japaanese who lived in the state before Pearl Harbor have come back. The housing shortage here and jobs, friends and new ties elsewhere are factors in deterring the Japs' return.

Hold Annual Parish Meeting Sunday at St. Mark's Church

The annual Parish meeting of the St. Mark's Episcopal church will be held this Sunday after the 11 o'clock service.

Preceded by a dinner, the meeting will feature reports by the Woman's auxiliary, Altar Guild, the discussion group, the church school as well as reports of the rector, the Rev. John A. Luther and Philip B. White, treasurer of the parish.

The vestry for the current year and delegates to the Convocation and the Diocesean convention, which will be held in Los Angeles on January 30, will be elected.

Church Holds Special Classes

Dr. Titus Frazee, secretary of the California Temperance Federation, will speak on "The Church and Social Issues it Faces," at the First Christian church in Ontario Sunday night.

This is a part of the educational program conducted by the church and called "The University of Christian Progress." It is held every Sunday and Wednesday nights and is based on the theme, "With Christ We Build Anew."

Classes which begin at 6:30 and continue until 8:15 p. m., are designed for all age groups. Various educators and church leaders from all over California will address the groups at various times.

ST. MARK'S EPISCOPAL
Euclid at F
Rev. John A. Luther, Rector
8:00—Holy Communion.
11:00—Church school.
11:00—Morning prayer and sermon.
12:15—Annual parish meeting and dinner.
Thursday, 9:30—Holy Communion.

Church Notices

FIRST MENNONITE
Earl Salzman, Minister
9:30—Sunday school; Albert Schmutz, superintendent.
10:30—Worship service; sermon, "The Lord Hath Need of Thee"; choir number, "O Saviour of the World".
7:00—C. E. Societies meet.
7:45—Preaching service.

CHRISTIAN SCIENCE
Euclid at G, Ontario
Sunday school at 9:30 a.m. in the church edifice.
Sunday morning service at 11; subject, "Sacrament".

The HEART OF A MIGHTY EMPIRE

PULSATING with the postwar activities of its 3¼ million residents, Los Angeles County is indeed the heart of this mighty southland empire comprising San Bernardino, Riverside, Orange and Los Angeles Counties.

In undertaking the gigantic task of becoming one of the greatest contributors to America's victory, it was, almost over night, changed from the world's foremost vacationland to a mighty force of united people grimly forging the tools of war.

Industry, agriculture and commerce were weighted with the responsibility of vastly extending their production efforts. That they were successful is best exemplified by the fact that more than $10,500,000,000 in war contracts were placed with Los Angeles County industry between June 1940 and January 1945.

Thousands of bomber and fighter planes ceaselessly rolled from the assembly lines of our giant airplane factories, while hundreds of great cargo vessels slipped quietly into the waters of Los Angeles County harbors with an almost monotonous regularity. Unbelievably large aluminum and synthetic rubber plants contributed their products to victory and, nearby—the tall structures of many refineries denoted the productions of 100-octane gasoline—the vital fuel which powered our air offensive.

Hundreds of small factories worked day and night to make the component parts of the ships, planes, guns and tanks which were a part of Los Angeles County's contribution to victory.

Agriculture, too, had its part in this all-out effort. Los Angeles County farmers and ranchers extended their productive acreage and increased production beyond belief in this, the richest agricultural county in the nation. Products raised here supply not only the local market but are being shipped to hungering humanity throughout the world and to our armed forces in far-flung lands.

Behind all of this productive effort by industry and agriculture has been the unfailing, never-ending job performed by the transportation systems. Transcontinental and local rail lines have moved freight tonnage which has extended their facilities to the limit, while passenger travel has exceeded, many times over, the peak year in the history of any of these carriers.

Pacific Electric is proud to have helped Los Angeles County attain its phenomenal war-time record.

It is proud to have served and become a part of the daily lives of a people whose production efforts have received world acclaim.

It is generally conceded that the peacetime years ahead hold for Los Angeles County a future of brilliant progress and unparalleled opportunity. Pacific Electric eagerly looks to this future with the determination to contribute its full share to the convenience and comfort of living in Los Angeles County—as it contributed its every effort toward the movement of vital freight, troops and war-working civilians during the critical war years.

MRS. A. W. GALENTINE

Mrs. Strawn Elected Head of Red, White And Blue Club

Mrs. Leslie Strawn was chosen president of the Red, White and Blue club to succeed Mrs. W. E. Walk at the monthly meeting of the group held Tuesday in Memorial hall in Ontario. Other officers elected are Mrs. Ralph H. Marr, vice-president; Mrs. Dwight Gorham, secretary-treasurer; and Mrs. R. G. Jester, press correspondent.

The meeting opened with a contributed luncheon, and those having birthday anniversaries in January were honored with a birthday cake.

A social hour concluded the meeting.

✿ ✿ ✿

OES Official Will Visit Chapters in District Saturday

Isabella Harrison Hilditch of National City, worthy grand matron for the state of California, Order of Eastern Star, will make her official visit to chapters in the 76th district Saturday evening in the Pomona Masonic hall.

Embracing this district are the Pomona chapters, the Claremont, Chino, Ontario and Upland chapters. Upland chapter will have the presentation, and Mrs. Sam L. Lamb, worthy matron, is asking all past matrons and patrons to be present, and as many of the members as can.

✿ ✿ ✿

Wesleyan Guild Will Have Dinner

Members of the Wesleyan Service guild of the Upland Methodist church will hold their monthly meeting Tuesday evening in the church parlor, it has been announced by Miss Mabel Breneman, the new president.

A planned contributed dinner will be served at 6:30 o'clock. The committee in charge of arrangements includes the officers, Miss Breneman, Mrs. Clifford Wetherbee, Mrs. Jerrene Eastedo and Mrs. Harold W. Cook.

Guest speaker will be the Rev. Charles E. Engle, recently returned from India where he served as a missionary for many years.

Character-Building Organizations Give Program for PTA

Many interested parents enjoyed the program of the monthly meeting of the Upland Parent-Teacher association Wednesday afternoon in the auditorium of the Upland Elementary school which featured the work of character-building organizations of the community. Mrs. Earl L. Wenger was program chairman.

Mrs. Marion Maxwell outlined the activities of the Cubs, giving special credit to Eugene L. Mueller, the organizer; Mrs. N. R. Jamieson, head of the den mothers; Harold B. Anderson, who had charge of the baseball teams during the summer; and Richard Allen, boxing coach and cub master. The Cubs recited their law, motto and promise, and the Cub band of Den 8 played two selections.

Frederic W. Dundas, scoutmaster of Troop 1, presented members of his troop, who gave a demonstration of a regular troop meeting.

Girl Scout troop 38 gave a shadowgraph, after which Mrs. J. B. McCarter, recently-elected commissioner of the Chaffey district, told of the Girl Scout program and introduced the leaders.

The Brownies sang several songs, and all the Girl Scouts entertained with singing, directed by Mrs. Ralph T. Mitchell and accompanied at the piano by Mrs. Joe Seitz.

The program was concluded with the pledge of allegiance led by a combined color guard.

Mrs. Theo Davis, the president, conducted the business session, and it was voted to accept the new by-laws as recommended by the executive board.

Mrs. Eugene L. Mueller, chairman, Mrs. John A. Luther, Mrs. Robert Neville, Mrs. Marvin Francisco and Mrs. William E. Amberson were appointed as a nominating committee to prepare a slate for the election in February.

Mrs. Davis announced the district meeting would be held in Colton, Friday, January 18.

In the roll call, Mrs. Grant Robbins' second grade and George Newmans' seventh grade in the junior high school won the prizes for having the largest percentage of mothers present.

Tea was served to the mothers and cake and punch to all the Scouts, Cubs, Girl Scouts and Brownies. Mrs. William E. Amberson decorated the tea table with an arrangement of yellow and white chrysanthemums and calla lily leaves, with green candles to match the leaves. Mrs. Richard G. Manley and Miss Margaret Skinner poured.

The committee of mothers in charge included Mrs. George Collier, Mrs. B. B. Bateman, Mrs. Samuel T. Elder, Mrs. Marvin Francisco, Mrs. Creed Morgan, Mrs. Bert L. Reed and Mrs. Lowell Wood.

Singer and Harpist Present Program For Woman's Club

A musical program featuring Hendrik de Boer, young tenor, and Grace Curry, harpist, delighted members of the Upland Woman's club at their meeting Tuesday afternoon in the club house.

Miss Curry gave a short history of the harp and then played two numbers, "Song Without Words" and "In the Garden." She accompanied Mr. de Boer at the piano when he sang his first group of songs, including "Have You Seen the White Lily Grow?" "Duna," "When Children Pray" and "Come to the Fair."

For her second group, Miss Curry played "Aeolian Harp," "Brahm's Waltz" and "Barcarolle" from "Tales of Hoffman."

Particularly enjoyable was the harp and voice group of ballads which concluded the program. The numbers included "Lovely Hour," "By the Waters of the Minnetonka," "Smilin' Through," "Come Where My Love Lies Dreaming," "The World is Waiting for the Sunrise" and "I'll Take You Home Again, Kathleen."

Mrs. W. R. Farmer, presided over the meeting, and Mrs. J. Emery Sargent introduced the entertainers.

Luncheon was served at 12:30 o'clock by the January committee under the direction of Mrs. R. C. Norton and Mrs. Ellery F. Wright, co-chairmen. White candles surrounded by red berries and greenery provided attractive decoration for the tables.

✿ ✿ ✿

Theme of Year Stressed in WSCS Program

A skit presented by the secretaries of the various branches of the church work was the program for the monthly meeting of the Women's Society of Christian Service of the Upland Methodist church, held yesterday in Fellowship hall. The playlet carried out the theme for the year, "The Stewardship of Peace." Mrs. Perry Mathis was program chairman.

Mrs. D. J. Cameron, the president, presided over the session. Mrs. F. B. Eckes conducted the devotional period, which was followed by the singing of the hymn, "The Spirit of Life" by Mrs. Clifford D. Jellison, with Mrs. Glenn H. Wright at the piano.

Mrs. H. H. Bowers sang "The Christian Life," accompanied at the piano by Mrs. Ralph Wilson.

The noon luncheon was served by members of the Orange Drive circle, and in the afternoon reports from the four circles were heard at a business session for the local groups.

✿ ✿ ✿

Mrs. Nicholson Takes Office as DUV President

Approximately 75 persons, including visitors from other tents in various parts of Southern California, were present for the installation of the 1946 officers of Mary Brainard tent, Daughters of Union Veterans, held last evening in the Memorial hall in Ontario. Department President Jane Filkins of Pasadena and her staff were in charge of the ceremonies.

Mrs. Harold E. Nicholson became the new president, succeeding Mrs. Nathan Cohn. Other officers installed include Mrs. Leslie Strawn, senior vice-president; Mrs. R. H. Smale, junior vice-president; Mrs. Clara B. Tilden, chaplain; Miss Martha Cease, treasurer.

Mrs. Cohn, Mrs. Florence E. Stamm and Mrs. Carney Dailey, council members; Mrs. David Allen, patriotic instructor; Mrs. P. H. Colling, secretary; Mrs. Hal R. Halstead, guide; Mrs. Ralph E. Peyton, guard; Mrs. Bertha George, assistant guard; Mrs. W. H. Klepper, musician; Mrs. W. M. Stevens, Mrs. C. L. Wilson, Mrs. T. A. Evans and Mrs. Bessie Smith, color guards; and Mrs. R. Emerson Gilliland, press correspondent.

Following the installation, refreshments were served. Mrs. Cohn and Mrs. Nicholson presided at the attractive tea table which was decorated with red berries and greenery.

✿ ✿ ✿

S-O Circle Gives Gift Shower for Recent Bride

Honoring Mrs. Herman Rempel, the former Helen Krehbiel, the S-O Circle of the First Mennonite church gave a post-nuptial shower Tuesday evening at the home of Mrs. Rempel's parents, Mr. and Mrs. Chris V. Krehbiel, 708 North Second avenue, and presented her with a collection of beautiful miscellaneous gifts for her new home.

Miss Krehbiel became the bride of Herman Rempel December 30, in the First Mennonite church. The couple left Wednesday morning for Palmer, Alaska, to visit Mr. Rempel's parents.

Some 50 guests were present at the party and refreshments were served at the close of the evening.

OES Auxiliary Enjoys Luncheon

The January meeting of La Estrella Auxiliary, Order of Eastern Star, was held Wednesday at the home of Mrs. R. H. Thomas, secretary, 160 North Vineyard avenue, Cucamonga. Co-hostesses were the other officers, Mrs. T. H. Settle, president, and Mrs. Pearl Roach, vice president.

A contributed luncheon was served, after which Mrs. Settle conducted a business session. The remainder of the time was spent socially.

✿ ✿ ✿

Eastern Star To Hold Initiation

Initiation will be a feature of the regular meetng of Upland chapter, Order of Eastern Star, Monday evening in the Masonic hall. Mrs. Sam L. Lamb, worthy matron, will preside.

Refreshments will be served during the social hour. Mrs. Flora S. Allen is hostess for the evening.

Mariners Club To Hear Talk By Dr. Oakey

Dr. Rufus W. Oakey, the new pastor, will address members of the Mariners club of the Upland Presbyterian church at their January meeting Tuesday evening in the social hall of the church.

A contributed dinner will be served at 6:30 o'clock, with Mr. and Mrs. Frank Hubbard, skippers; Mr. and Mrs. Paul McIntosh, Mr. and Mrs. Howard J. Kilmurray and Mr. and Mrs. Robert Groendyke in charge of arrangements.

✿ ✿ ✿

Junior League Makes Donations to San Antonio Hospital

Members of the Upland Junior Welfare League gathered Tuesday afternoon at the home of Mrs. Keith Koehler, 1000 West Twenty-second street, for their January meeting, and voted to contribute to the pneumonia serum fund of San Antonio Community hospital the proceeds from their Christmas dance, amounting to more than $200.

They are also giving a number of magazine subscriptions and story books for the children who are patients at the hospital.

Mrs. Lloyd M. Dickens, the president, presided over the session.

✿ ✿ ✿

Mennonite S-O Circle Does Relief Work

Members of the S-O Circle of the First Mennonite church tied a comfort and sewed on quilt block for relief work in Europe when they met last evening in the circle room of the church. Twenty-five women were in attendance.

As a conclusion to the meeting, a social hour was enjoyed and refreshments were served by the hostesses, Mrs. Chris Krehbiel, Mrs. Dan Dettweiler and Mrs. Emil Schmutz.

Cattin-West Nuptial Rites Announced

Mr. and Mrs. George W. West, 1128 Myrtle drive, are announcing the marriage of their daughter, Miss Phyllis West, to James LaVerne Cattin, son of Mr. and Mrs. W. E. Gamble of Waynoka, Oklahoma.

The wedding took place on Christmas Eve at Medicine Lodge, Kansas, and the newlyweds have established their home on Lincoln road, Waynoka, Kansas.

The new Mrs. Cattin is a native of Upland and received her early education in the local schools. She is a graduate of Chaffey high school, and was a senior at Chaffey college at the time of her marriage.

Mr. Cattin recently received his discharge after five years in the air corps, three years of which he served in Africa, Italy and other parts of Europe. He is now employed by the Santa Fe railway.

299 N. SECOND AVE., UPLAND

Sport . . . . . Slants

By STEVE KALAGIAN

After tonight all the pre-season guesswork about how good the Chaffey basketball teams are going to be this year won't be worth remembering. For no matter how good or bad a team is on paper, it's how they do in league games that determines how they are going to be rated when the curtain comes down on the basketball season.

Neither the Tigers or the Panthers have shown any great offensive power through most of their practice games. But with the league opener only a few days away, both of them hung up their best game of the season.

Against Bonita the Tigers not only won the game but had to come through the last minute to do it. While the tables were reversed on the Panthers and they had the game snatched out of their hands by a last minute basket, the fact still remains that they demonstrated that their process of developing had reached a stage where they could really be a threat.

Coach Muggs Mitchell doesn't expect very much from the Panthers and neither does Coach Karl Kaiser from the Tigers. Both of them see their respective teams as average, and feel that will take another year or two before the high caliber of basketball that Chaffey has turned out in the past can return to the campus.

Of course, it's natural for coaches to be pessimistic about their teams' chances. It's not only good psychology for the players themselves but often is a good way to put the opposition team off guard. But most important of all, no one really knows just how well or how bad a team in the high school or junior college class is going to do when the chips are down and every game counts as a win or a loss in the standings.

It is not unusual for a high school team to go through pre-league games in a sloppy, indifferent way and then end up pretty near the top in the heap when the season ends. It's the pressure of winning games that does it and if a team has anything to it at all, it is bound to come out then.

There is little doubt that the Chaffey teams need quite a bit of developing this season. The war has made it necessary for adjustments not only in the economic and social world but the sports world as well. That will take time. But all the other schools are facing the same problems and it's going to be the team which goes through the adjustment process the fastest that will end up with the C.B.L. title.

Of course, we can all hope that it will be the Chaffey teams that will be the most successful in this process. But from what Coach Mitchell and Coach Kaiser say, the chances for that are quite unlikely.

Chaffey Meets Riverside Tonight

Chaffey Teams Win and Lose In Closely Contested Games

With only 15 seconds remaining for the end of the game, the Chaffey Panthers watched a game they had led most of the way trickle out of their hands at the Chaffey gym Wednesday night.

It was a lucky shot that happens once in a hundred games that gave March Field a 34-33 victory over Chaffey and turned what seemed like a victory for Chaffey into a defeat.

The Panthers were out in front 33-32 when Arnette, who accounted for 18 of the March Field points, lost his balance and started to fall on the floor. At the same time he threw the ball at the basket and as fate would have it the ball went through the hoop for the winning score.

Chaffey led at half time, 18-10, and stretched its margin 25-15, and then 29-24. Coach Howard Mitchell used his reserves freely in what seemed like a sure victory for the Panthers. March Field put on its big spurt the last six minutes of the game, after having been outplayed by the Panthers until that time.

Ernie Warner, Chaffey center, paced his team with eight points while Forward Weeks was second in scoring with seven. Arnette was the high point man of the evening for both teams with 18.

The sun looks no bigger than a star from the planet Jupiter.

Practically all snakes are voiceless. They hiss when angry by forcing air from the lungs through their constricted throats.

A basket in the last minutes of the game gave the Chaffey Tigers a 34-32 victory over favored Bonita High school at the Chaffey gym Tuesday night.

Although the Tigers led through most of the game, Bonita tied the score 28-28 in the final quarter. When Chaffey scored again to make it 30-28, Bonita came back to tie up the score again.

With both teams fighting desperately to win, only a few short minutes remained as the score was knotted up again, 32-32. It was then that the Tigers rose to the occasion and came through with the winning basket.

Bonita was favored to win because it had hung up two victories in as many league games while Chaffey hasn't fared so well in the pre-season games. Coach Karl Kaiser expressed the feeling before the game that his team stood a good chance of upsetting the favored Bonita quintet.

Golf Tourney To Be Started When 32 Best Players Selected

Wide interest is being shown in the president's tournament at Red Hill Country club with the qualifying rounds to be finished by January 15.

Thirty-two of the best golfers will be paired at conclusion of the qualifying rounds. Full handicaps will prevail.

The tourney will actually start January 17, elimination matches to be scheduled.

Cardinals Look Strongest in CBL

The San Bernardino Cardinals loom as possibly the strongest team in the Citrus Belt league this season.

With league games beginning today, the Cardinals have an impressive record to look back to in their practice games. Out of 12 games played, they lost only two and then to a strong South Pasadena team and San Berdoo Junior college.

The statistics also show what a powerhouse of a basketball team, the Cardinals will probably have. In their 12 games they scored 465 points, an average game total of 39 as compared to 315 points amassed by their opponents for an average of 26 points a game.

As to some of the teams they've beaten, they include Chaffey, Colton, the San Diego Hoovers and Las Vegas, Nev.

With all this as evidence, it seems like the Cardinals will probably be the team to watch this year.

Rubber Tanks Are On Sale

Rubber gas tanks which cost several hundred dollars each are being sold at the 856th AAA Specialized depot in Ontario from $1 to $3.50 each, depending on the size.

This was disclosed today by Lt. James V. Bagli, officer in charge of the installation, who also stated that the AAF refers to these tanks as fuel cells but what they are actually is rubber tanks.

"Peacetime uses apparently are limited only by the ingenuity and inventiveness of the buyers," Lt. Bagli said. As examples he cited their conversion to feed and water troughs for cattle and swine, chicken coops, particularly brood houses for small chicks; fishing boats, duck boats and blinds, sand boxes for children, pontons to support pipe lines over water storage containers and storage of gasoline or oil for farm machinery.

Some people have even purchased them for use as bath tubs, he revealed. They can also be mounted on a truck to haul water. Conversion to troughs, boats, sand boxes, etc., is made by cutting the tops off.

The tanks range in size from 10 to 700 gallons capacity.

Any person is eligible to obtain one or more, up to $50 worth, Lt. Bagli said. They are turned over to buyers at the Ontario installation upon receipt of the purchase price. Prices are $1 per cell up to 125 gallon capacity, $1.50 per cell up to 200 gallon capacity and $3.50 for all sizes larger than 200 gallon.

The sale offer is scheduled to end this coming January 25, Lt. Bagli said.

The AAF depot is located at Campus and Main streets in Ontario.

New Coach Proposes Chaffey Baseball

Baseball is likely to come back to the Chaffey campus.

Coach Burt Heiser, who will return to the campus February 4, has been given the job of high school baseball coach as well as college track coach.

In discussing the matter with the Chaffey board Tuesday night, Coach Heiser said that he had already made tentative arrangements for Chaffey ball players to practice on the diamond at the Fourth street park.

Jack Baillie, Fontana member of the Chaffey board, an ardent athletic booster, reported that Fontana had a very strong community team last summer and that all of the players except one on the championship nine were Chaffey students.

While coaching high school baseball aspirants, Heiser will also give the college track team as much attention as the turn out warrants.

Cubs Start Practice Bouts Tonight

The Boy Scout Cubs will hold their first boxing practice preparatory to the big tournament tonight at 6:30.

Dick Allen, new cubmaster, said that these Friday night practice bouts would continue until the tournament. They will not be held on nights when there is a pack meeting.

Western Horses Lead at Santa Anita

Clearly indicating the dominance of Western-owned horses at the current 55-day race meeting at Santa Anita Park is the startling fact that, of the 40 races contested during the first five days (up to last Saturday), 23 of them were won by California-breds alone.

The excuses with which we fool ourselves seldom fool other people.

Even Game in Prospect, but Panthers Ready for Victory

An even game is in prospect tonight when the Chaffey Panthers meet Riverside at the Chaffey gym in the first league game of the basketball season.

Coach Howard "Muggs" Mitchell made this prediction with the reservation, "unless they have something we don't know about".

The game which begins at 8 o'clock will be the first test of the Panthers under league competition. While Riverside was considered a strong contender earlier in the season, they lost several of their best players just a couple of weeks ago because of ineligibility.

While the Panthers have had little luck in hanging up victories in their practice games, they played their best game against March Field Wednesday night when they got nosed out, 34-33 on a last minute basket. The Air Force boys dropped the Bengals the night before by an equally close score.

Coach Mitchell will see a pretty closely contested game tonight with the victory likely to go to either team.

"Riverside is just an average team like we are," he said, "so I think it's going to be a pretty even game all right."

Chaffey's starting lineup against Riverside will probably be the same it has been the last few games.

Dick Mayhew, forward.
Jack Salyards, forward, or Weeks.
Ernie Warner, center.
Herman Zmoelke, guard.
Don Perry, guard.

Burt Heiser To Resume Job As Football Coach on February 4

Coach Burt Heiser is returning to the Chaffey campus.

At least, the ex-army major, who distinguished himself as the maker of winning Panther football teams in former years, was offered his old coaching job by the Chaffey board of education Tuesday night.

Personally appearing before the board to discuss the football situation, Coach Heiser outlined plans for aggressively building up a strong aggregation. He expressed the hope that John Meek of Upland, famed University of California quarterback and one of the two widely known Meek athletes, would be appointed as assistant coach. He also asked that Jack White, who is also returning from the armed forces, be allowed to help as coach and scout during the football season.

Mr. White was added to the college faculty as a science teacher and his salary is also to include his services as an assistant to Heiser. The board took no action relative to including Meek, army captain and assistant coach of the Fourth Air force army team, on Heiser's staff. This matter may come up later.

Heiser, his huge stature a little larger than when he left here about three years ago, was warmly greeted by the Chaffey board members at the meeting in the college office. Enthused over the prospects of developing a Panther squad, the former U.S.C. star said he would like to get started practicing just as soon as conference rules would permit in the fall. He said that a good policy is to schedule at least one game with a team at some distance away in order to give the players a trip.

The board members, however, made no comment and took no action relative to the athletic program other than offering the coach a salary on the same basis as other members of the college staff and renewed Mr. White's contract. White and Heiser will join the faculty with start of the second semester, February 4.

The Army Signal Corps has a combination weather and radio station about the size of a steamer trunk. It will broadcast reports on temperature, humidity, and barometric pressure every few hours for three months when buried on the short of an enemy country.

Will Move Cucamonga Health Service Soon

Service Club Building Is New Site

The child health clinic for Cucamonga, Alta Loma and Etiwanda will be moved to the Cucamonga Service club building very soon, Wallace Stoebe, principal at the Cucamonga Central school, disclosed today.

A meeting of the three school districts was held at the Central school yesterday afternoon with Miss Grace Tapty, public health nurse for the county and the decision to move the clinic was made.

It is felt that by placing the child clinic at a more central spot, more people will make use of it. Also, it is felt that better service can be given with the new location.

The date of the moving has not been definitely decided as yet but will be announced as soon as arrangements are made.

PTA Groups to Talk Mutual Problems

In order that the two educational groups can discuss problems of mutual interest, a joint meeting of the Alta Loma P.-T.A. and the Cucamonga Central P.-T.A. will be held next Wednesday, January 16.

The business meeting will begin at 2:30 p. m., following which refreshments will be served. The meeting place is the Cucamonga Central school.

Open New Cafe In Cucamonga

Cucamonga has a new cafe.

It is located on the southwest corner of Archibald avenue and Foothill boulevard and opened up for business just about a week ago.

The name of the new Cucamonga cafe is "Hadley's Cafe" and is owned by W. J. Hadley.

Townsend Club Meets Tuesday Night

The Upland Townsend club No. 1 will hold a pot luck supper Tuesday night

A short business meeting will follow the supper which begins at 6:30 p. m. Baxter Rankin, regional director of the West Coast district, will be the speaker.

Members are asked to bring their own table service. The public is also invited to attend, G. V. Decker, president, said.

Telephone Strike Here Unlikely

According to present indications there is little likelihood that employees of Associated Telephone company here will participate in the threatened nation-wide strike of telephone workers, H. E. Hussey, district manager, said today.

"There is a possibility that the picture may change," Mr. Hussey stated, "but it is my understanding that the strike involves wage negotiations in a telephone manufacturing plant in the East and so far the only employees who have been asked to walk out in the sympathy demonstration are those whose employers are affiliated with the manufacturer.

"Our company is not affiliated and we use only a negligible amount of material supplied by that manufacturer and we hope, therefore, that our organization will continue to be unaffected by the demonstration."

Mr. Hussey went on to explain that long distance service to other cities might be curtailed by strikes in those cities but for the time being he expected that service furnished by his company would not be affected.

Cucamongan To Build Home in Upland

A building permit was issued to W. N. Lewis, of 1078 South Archibald avenue, Cucamonga, by the Upland building inspector for the construction of a new home.

Mr. Lewis will build his new home at 330 South Second avenue, Upland.

Hold Funeral Services For Son of Uplander

Funeral services for George W. Schulz, son of Mrs. Ida Schulz, of Foreman street, were held at the Richardson's mortuary in Ontario Tuesday afternoon. Interment was in Bellevue cemetery.

The body of Mr. Schulz, who died in Tooele, Utah, more than a week ago, was brought to the Richardson mortuary by his brother, Lester A. He is also survived by two other brothers, Philip, of Upland, and Ted, of Long Beach.

Other survivors besides his mother and brother are: Four daughters, Phyllis, Lillian, Dorene and Mally, all of Tooele, Utah; one son, Franklin, also Tooele; two sisters, Mrs. William C. McCombs, Ontario, Mrs. Lincsey Arnold, Fontana.

Service Club Dinner To Start at 7:30 P. M.

Dinner will be served at 7:30 p. m. at the regular monthly meeting of the Cucamonga Service club to be held in the club rooms Monday night.

Although no definite business is on the agenda, it is believed likely that a matter of the national importance may be presented at that time.

Ontario Acts On Sewage Contract

The Ontario city council has passed the final reading of the sewage contract with the city of Upland.

This was done at the meeting of the Ontario council Monday night and officially authorizes the mayor and city clerk to sign the contract. The Upland council initiated the move to end negotiations which have been going on for the past five years.

Although the Upland councilmen had given its mayor and city clerk the same authority two months ago, the Ontario council requested that it be done in form of an ordinance, the first reading of which will be made at the next meeting.

Under the terms of the contract Upland will pay Ontario $32,803.80 for 28 per cent ownership and will meet its proportion of the cost of maintenance and operation to be determined by metered sewage flow.

Scott and Herbert Jackson Killed

(Continued from Page 1)

the Highway patrol said.

The Jacksons had been residents of Alta Loma for the past nine years. They are survived by their mother, Mrs. Dick Holliday, and a sister, Mrs. Frank Lawless, both of Alta Loma.

The bodies were taken to the Stone mortuary following the accident where funeral arrangements are still pending.

Both of the brothers were employed by the Laborer Growers Service in Alta Loma and were natives of Stratford, Oklahoma.

Scott received his discharge from the army in October, 1945, and had been in the European theater for more than two years before his discharge.

Charles E. Allen, Former Uplander, Dies in Oregon

Death came Tuesday to Charles E. Allen, former Upland resident and son of Mr. and Mrs. David Allen, 153 Twelfth avenue, at his home in Sandy, Oregon. He was 46 years of age, and had suffered for the past two years with a heart ailment.

Mr. Allen lived in Upland from 1908 to 1930, when he moved to Escondido. He resided there until recently, going to Oregon last fall.

Surviving besides his parents are his wife, Frankie; three daughters, Mrs. Earl Smith of Sandy, Oregon, Mrs. Albert Hoover of Upland, and Dorothy Allen, at home; one sister, Mrs. H. E. Nicholson of Ontario; three brothers, Kenneth Allen of Covina, Elmer Allen of Upland, and Arthur Allen of Alta Loma; and one grandchild.

Mr. and Mrs. David Allen and their son, Arthur Allen, have gone to Oregon for the funeral.

ABOUT PEOPLE

WE WILL BE CLOSED January 14, 15 and 16, for inventory. Outside work will be carried on, but store will be closed. Colborn Electric Co., 220 North Second avenue. Phone 314-106.—Adv. 73-1.

Donald Lewis Christensen, signalman third class, has been enjoying a 30-day leave with his parents, Mr. and Mrs. F. H. Christensen, 529 North Campus avenue. He arrived home from China in time for the holidays, and at the end of his leave, he will report at San Pedro for a new assignment.

Mr. and Mrs. Daniel D. Worman (Ruby Moser) left this morning to return to their home in Nipinnawasee after enjoying a visit since before Christmas with Mrs. Worman's mother, Mrs. L. E. Moser, 535 West Twenty-first street, and other relatives. On New Year's Day Mr. and Mrs. Worman went to Pasadena for the Tournament of Roses.

Mrs. Harvey Biggs (Jean Baird), who spent more than four months with her parents, Mr. and Mrs. Jay C. Baird, at their home, 1435 North Euclid avenue, left New Year's Eve for Washington, D. C. On Tuesday she left Washington by plane for Teheran, Iran, to join her husband, Major Biggs, who is with the American Military Mission there.

Major and Mrs. Andrew D. Rippey and small son, Douglas, have arrived from Phoenix, Arizona, to spend the rest of the winter in Southern California. At present they are visiting Mrs. Rippey's parents, Mr. and Mrs. Ernest A. Dart, at their home, 1391 North San Antonio avenue.

Upland friends have received invitations to an "open house" at the Methodist church in Atlantic, Iowa, honoring Mrs. Mary E. Hancox, who will celebrate her 100th birthday anniversary on January 17, 1946. Mrs. Hancox lived in Upland for a number of years with her daughter, Miss Alice Hancox, and was a member of the Upland Methodist church.

New officers were elected by the Ladies Guild of the Redeemer Lutheran church at a meeting Thursday as follows: Mrs. Harry Speiser, president; Mrs. W. A. Buehler, vice president; Mrs. C. I. Dillard, secretary; Mrs. W. F. Weygandt, treasurer, and Mrs. Walter Rosenbrock, reporter. Present at the meeting, which was held at the home of Mrs. Harry Speiser, 1895 Dessau, Ontario, were Mrs. Harlan Smith, Mrs. Guy Warner, Mrs. Emil Radke, Mrs. Harry Speiser, Mrs. W. F. Weygandt, Mrs. C. I. Dillard, Mrs. William Sauter, Mrs. O. C. Miller, Mrs. Arnold Wicklund, Mrs. Katherine Puehler, Mrs. Walter Rosenbrock and Mrs. Fred Busse.

Weber's BREAD-TIME STORIES

KITCHEN TRICK
TO MAKE a really good clam chowder, remember it needs a small pinch of thyme, a bay leaf and a few caraway seeds. These are as important to the finished dish as the clams.

HOUSEHOLD HINT
TO SAFELY WHITEN your good linen handkerchiefs without bleaching the embroidery, soak overnight in cold water to which has been added one teaspoonful of cream of tartar. Wash next day in a mild suds bath.

RECIPE
HONEYED ONIONS
3 c. small onions — ½ c. catsup
1 tbsp. bacon fat — ⅓ c. honey
Boil peeled onions in salted water five minutes, then drain. Place in casserole and cover with remaining ingredients. Bake in moderate oven for 45 minutes then increase heat for 15 minutes to allow onions to glaze.

PRAISE WINNER
TOAST MADE with good Weber's Bread wins first praise at breakfast. So crunchy, so golden, so exactly right! So rich in body-building elements. No wonder Weber's Enriched White Bread is by far the favorite bread in Southern California!

SLIPS!

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma, Cucamonga, and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

(COPYRIGHTED JOE DOWNEY)

All of jack-pot may be won if person has two or more sales slips from two or more stores with total purchases over $1.00.

$5 if person selected has one sales slip.

$10 if person selected has two or more sales slips showing total purchases under $1.00.

$1 if person selected has no sales slip.

To be eligible to receive all of the jack-pot, your total purchases from two or more stores may be for

Books and Reviews

BY MRS. F. H. MANKER

The accompanying list of books is shorter than usual but owing to the fact that the staff at the library was busy with the inventory the last two weeks.

There is new fiction, part of which is rental, and many good books in the non-fiction. "Germany is our Problem" and "America's Stake in Britain's Future," are two timely volumes and "In Peace Japan Breeds War"—the title tells all. "Sitka" and "Seven Keys to Brazil" are located about as far apart as possible but are decidedly interesting as travel books and giving one an idea of the countries about which they are written.

FICTION—Bassett, Heart's Haven; Bowman, Beach Red; Buckles, Valley of Power; Coryn, Marriage of Josephine; Downey, Army Mule; Drago, River of Gold; Floren, The Longs; Graves, Hercules, My Shipmate; Greig, Reluctant Millionaire; Hill, Girl to Come Home To; Keeler, Mysterious Mr. I.; Kent, Country Mouse; Laing, Stone Dead; Little, Black Eye; Romains, Wind is Rising; Rorick, Outside Eden; Smith, Death in the Cards; Stegner, Big Rock Candy Mountain; West, Friendly Persuasion; Williamson, Christine Roux; Wylie, Ho, the Fair Wind.

NON-FICTION—Andrews, Sitka, Art News Manual, 1945-46; Barmine, One Who Survived; Dehn, Water Color Painting; De-Ment, Uranium and Atomic Power; Eckstein, In Peace Japan Breeds War; Frost, Contemporary Art; Gattis, Vitalize Your Speech; Geerlings, Metal Crafts in Architecture; Germaine, Handbook of Drapery Patterns; Gibbings, Lovely Is the Lee; Guptill, Freehand Drawing Selft-taught; Hawkridge, Wisdom Tree; Husted, Chairman's Guide; Jastrow, Wish and Wisdom; Kelsey, Seven Keys to Brazil; Livingston, Men Must Hate; MacDonald, The Egg and I; Morgenthau, Germany Is Our Problem; Pollack, Careers in Science; Reichard, Dezba; Soule, America's Stake in Britain's Future; Stegner, One Nation; Vocational Guidance Research; 500 Postwar Jobs for Men; Wilson, I Am Gazing Into My 8-Ball; Strode, South by Thunderbird.

PASADENA PLAYHOUSE

Rosemary Taylor's best-selling novel, "Chicken Every Sunday," adapted by the Epstein Brothers and a hit of the 1944 Broadway season, comes to Pasadena Playhouse stage from January 9-20, in its Pacific Coast premiere.

CERTIFICATE OF INDIVIDUAL TRANSACTING BUSINESS UNDER FICTITIOUS NAME

I, the undersigned, do hereby certify that I am transacting a general grocery and vegetable retail business at 204 North Second Avenue, City of Upland, County of San Bernardino, State of California, under a designation not showing the full and complete name of the person interested in such business, to-wit:

NOTICE OF PUBLIC MEETING BEFORE PLANNING COMMISSION

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Upland will hold a public hearing on Thursday, January 24th, 1946, at 7:15 o'clock P. M., in the Council Chambers at the City Hall, on the following requests for re-zoning:

1. Application of J. B. Jackson to change the following described area from A-1 Agriculture Zone to C-3 Commercial Zone:
North 40 feet of Lot 19, Pleasant Plain Tract. (9th and Grove).

2. Application of E. Tweed Stone to change the following described area from R-3 Residential Zone to C-3 Commercial Zone:
That portion of Lots 602 and 603 of Ontario Colony Lands, City of Upland, County of San Bernardino, State of California, as per plat recorded in Book 11, Page 6 of Maps, described as follows: Commencing 633 feet West of the Southwest corner of said Lot 603; thence North 160 feet; thence West 122 feet; thence South 160 feet; thence East 122 feet to the point of beginning. Excepting therefrom the South 7 feet thereof deeded to the City of Upland for Street purposes.

All persons having any interest in the matter are entitled to be presentand discuss these applications, either in favor thereof or against the same.
Dated: December 28, 1945.
PLANNING COMMISSION OF THE CITY OF UPLAND

CITY TO PROVIDE TEMPORARY HOMES FOR VETS

Plan To Set Aside 10 Acres For Quonset Huts and Barracks

The City of Upland is going to do something about providing houses for returning veterans.

Although not definitely settled yet, it is probable that 10 acres of land on Arrow highway will be set aside to provide temporary housing for the returning veterans.

A committee consisting of R. G. Manley, city manager, and Frank Davis, planning commission chairman, will begin investigation at once on the feasibility of using this site or others to alleviate the critical housing shortage.

City Manager Manley said that Upland could probably get about 150 temporary housing units to place on the site selected. The houses would probably be quonset huts, army baracks and trailers.

This action was taken by the planning commission last night after Mayor Eugene C. Nisbet appeared before the city planners to place the housing problem squarely before them. He asked that for the time being they be lenient as far as zoning restrictions were concerned so that some sort of homes can be provided for the returning veterans.

"Don't make it too hard on these boys," Mayor Nisbet declared. "They have to live somewhere."

Mr. Manley also told the planners that it was possible to secure homes from the F.H.A., but said that since only one house per 1000 people was being allowed by that agency, Upland would hardly find it worth while to accept such a project. Since the 1940 census would be used in determing this, the city would get only seven homes.

Problems Facing Educators Cited

Problems confronting educators and the educational system were discussed by Melvin Shimmin at the meeting of the Upland Lions club in the Upland Woman's clubhouse at noon yesterday.

He is director of the Chaffey adult education department and spoke on the basis of his experiences and observances in the educational field.

Mr. Shimmin pointed out that each state has its own educational systems and standards and that the national government has no unifying agency that seeks to maintain uniform standards and to emphasize importance of education.

The speaker also observed that athletics are commercialized, that only a small percentage of students received the physical benefits of competitive athletics and that there is no remedial program to serve those needing attention.

There is no adequate program for adult education, Mr. Shimmin said. While an adult program is maintained at Chaffey, he observed that most of the courses dealt with hobbies and not with fundamental subjects.

Mr. Shimmin, an entertaining and fluent speaker, had as his subject, "Seeing My Children Through School."

Another feature of the meeting was the induction of three new members into the club by Deputy District Governor William Gilliland. The new members are Talmadge "T. C." Burge, the Rev. Rufus Oakey and Francis 'Squeak" Wilson.

Guests at the meeting included Al G. Foreman, Captain Ronald Gibson, the latter the son of E. H. Gibson, member of the club, George Miller and Herbert C. Naylor.

C. Ernest Olson, president, was in charge of the meeting. Leigh Thompson was program chairman.

Kaiser Gets Second French Steel Order

A second steel order from the French government has been received by Henry Kaiser's Fontana steel plant, this one for 43,000 tons.

A previous order of 55,000 tons of billets is now being shipped to France and shipments on the plate order will start this month.

The Kaiser company also reports shipping steel plate to private interests in Shanghai.

See Big Future In Food Lockers

Predicting their steady increase in the future, I. J. Linkey outlined for Rotarians Wednesday afternoon the history as well as the advantages of frozen food lockers.

"The future development of frozen food lockers is coming rapidly," Mr. Linkey said, "and it will revolutionize our way of living and the food that we eat."

Mr. Linkey, who with J. Keith Highley is building a frozen food locker in Ontario, visualized the day when complete meals would be frozen and be ready for eating at any time. It will make the job of the house-wife a lot easier, Mr. Linkey said.

"Frozen food lockers are something that have grown and did not come into being all of a sudden," Mr. Linkey declared. "It started in the Pacific Northwest about 20 years ago and today there are more than 60,000 such lockers in the United States."

Three wedding anniversaries and one birthday of Rotarians were honored at the meeting. P. H. McQuillen ("Mac"), John Swoap and Dr. A. L. Weber were those whose anniversaries were remembered. George Winter was given a huge ovation for celebrating his 82nd birthday.

One of the guests at the meeting was Councilman Harry Wright's son, Harry, Jr., who has just returned from service with the Navy. Al Foreman was the other guest. Stephen C. Kalagian was introduced as a new junior Rotarian.

Famous Doll House To Be On Exhibit From January 16-27

Colleen Moore's famous doll house will be on exhibit at the De Soto-Plymouth showroom, 114 East A street, Ontario, from January 16 until January 27.

Filled with many objects of beauty, it contains 11 rooms, two bathrooms with running water and weighs 6000 pounds. It stands 11 feet high and is made of metal.

Sponsored by the Ontario Woman's club, the proceeds of this exhibit will be used for the newly organized Upland-Ontario Youth center. It will be on display daily from January 16-27, from 1 p. m. to 9 p. m.

Dave Meek Out of Navy, Returns to Former Position

Dave Meek has returned to work with the Johns-Manville Co. following his discharge from the navy and is temporarily at San Francisco. He served 37 months in the navy and as a lieutenant he was in the midst of some of the heavy fighting in the Pacific.

His wife and son are in Boise, Idaho, where Mr. Meek served his firm. He expects to go there soon.

Mr. Meek is the son of Mr. and Mrs. H. C. Meek, 690 East Eleventh street and visited here late last year.

Parents Announce Brown-Childers Engagement

Announcement was made today by Mr. and Mrs. Marion F. Brown, 1009 Washington boulevard, of the engagement of their daughter, Miss Jeanne Brown, to Buford W. Childers, son of Mr. and Mrs. E. J. Childers, 197 South Campus avenue. No date for the wedding has been set.

The bride-elect is a graduate of Chaffey high school and attended Chaffey junior college. She is now employed at the Upland branch of the Bank of America.

Mr. Childers received his discharge in September after serving for four years in the medical corps of the army. He was overseas in the South Pacific most of that time. He is now employed at the General Electric plant in Ontario.

Cline Sisters Hurt in Crash

Two sisters from Upland, the daughters of Mr. and Mrs. G. W. Cline, 875 Washington boulevard, were seriously injured in an automobile crash in Ontario late Wednesday.

Most seriously injured was Bessie Cline, 15, who was taken to the San Antonio Community hospital suffering from brain concussion, shock, a back injury and forehead, arm and leg lacerations.

Her sister, Juanita, 17, who is at the same hospital suffered concussion and shock and had forehead and left knee lacerations.

The two girls were riding with their cousin, Frank C. Kropp, 20, a sailor, when the car crashed at I street into a light truck driven by John V. Lisle, 26, 1274 West Second street, Pomona, who was trying to make a left turn.

Kropp had a nose laceration, multiple abrasions and severe concussion. He was transferred to the Corona Naval hospital following first aid treatment at San Antonio hospital.

William H. Rupp, 250 Chamelli street, Alta Loma, returned home Tuesday from San Antonio Community hospital, where he had been a patient for about a month.

Help Veterans Find Homes

Veterans returning to Upland need homes. While they understand the critical housing shortage, they still need some place to live while they are making their adjustment to civilian life.

In order to offer them all the aid possible, The Upland News is cooperating with other agencies in an effort to provide some kind of shelter for the boys until they can find some permanent place to live.

If you have any space available or know of anyone else that does, just fill out the coupon printed below for your convenience. Bring or mail to the Upland News office, 257 East Ninth street, and help some veteran and his family find a place to live.

The Medical Staff of the
San Antonio Community Hospital
wishes to announce that

Dr. T. F. Ford

having returned from service with the armed forces of the United States, has resumed his medical practice at

235 NORTH LAUREL AVE.,
ONTARIO, CALIFORNIA

It is the earnest desire of his colleagues of this Medical Staff that all his former patients should return to him.

The cost of this announcement is defrayed by the San Antonio Community Hospital Medical Staff and the San Antonio Community Hospital.

Plan Big Pack Meeting For Next Friday Night

A program which is designed to appeal both to parents and to Cub Scouts will be presented at the monthly pack meeting to be held at the Junior High school auditorium next Friday at 7:30 p. m.

Surprises, contests and awards are a part of the features being planned for that night. All of the Cub Scouts will participate in the program.

Mrs. Ada Benson Claimed by Death

Death came early this morning to Mrs. Ada Benson, widow of James V. Benson, at her home, 563 North First afternoon, after an illness of about a week. She was 85 years of age.

A native of South Bend, Indiana, Mrs. Benson came to California 37 years ago from Council Bluffs, Iowa, and since then had made her home in Upland. She was a member of the Upland Methodist church. Her husband died November 28, 1931.

Surviving are one son, Charles V. Benson of Ontario; a daughter, Mrs. Jennie B. Eckles of San Fernando; six grandchildren and seven great-grandchildren.

Funeral services will be held Saturday afternoon at 2 o'clock at the Stone Funeral home, 329 East Ninth street, with Dr. Samuel Hughes, pastor of the Methodist church, officiating. Interment will be in Bellevue cemetery.

WELCOME HOME, BOYS!
